NARRATIVE TURNOVER REPORT

Move On Philippines turned over 655 books to ten public secondary and elementary schools located in the northern half of the Province of Antique, in the Western Visayas Region. The turn over was held in the town of Laua-an on April 25, 2008 starting at two o'clock in the afternoon.

The donation consisted of books published in the United States and included several sets of encyclopedias. They were intended to augment the instructional materials of the poorly-equipped public school libraries in the area.

The turn-over of the books was facilitated by Dr. Egidio P. Elio (who came from the province) on behalf of Move On Philippines.

The principals, district supervisors, school librarians and property custodians received and acknowledged the donations for their respective schools. They cited the occasion as a rare opportunity to gather valuable tools that would supplement their meager teaching and learning resources.

The school representatives went home to their respective towns at around four o'clock in the afternoon – with the books and with so much gratitude in their hearts.

MESSAGES FROM THE RECIPIENT SCHOOLS

Patria National School:

I would like to thank you, Move On Philippines, for the book donation. It is a privilege to connect with individuals and organizations that care about schools and

community. Your generosity will greatly help our students and the rest of our stakeholders as well.

For one thing, your donation is a timely help as we are now on the process of refurbishing our library, one of our targets in our school improvement plan.

Thank you again for making an impact on our community. Indeed it is a pleasure to know that our school is included in your list of donees. I believe that together we are focusing on the bottom-line results – the lives we change and the community we shape.

Thank you!

Northern Antique Vocational School:

On behalf of the teachers, students and parents of Northern Antique Vocational School, I would like to express my sincere gratitude and appreciation for sharing your books with us. Our school library which is stocked with old worn-out books is in dire need of new ones. I hope it won't be too much if we ask for more for our students and teachers to use in doing their research assignments

I hope and pray for your continued support in helping us attain quality education.

More power!

Barbaza National High School:

We are grateful to you for giving us these precious books. The Barbazeños are very lucky to receive kind thoughts from generous people like you.

Rest assured that the Barbaza National High School community will cherish these books, use them in facilitating learning and preserve them for generations now and then.

Once again, many thanks for thinking of us.

Northern Bugasong National High School:

Greetings!

The Faculty and Staff as well as the Parents Teachers Community Association (PTCA) of Northern Bugasong National High School would like to extend our heartfelt thanks especially to you for giving us books for our Library.

It is our hope and fervent prayer that aside from books, you can give us more facilities like computers. These would be a great help to our students.

We are also asking, if it would not be a great burden on your part, if you could accept our "Adopt A Library" program.

Thank you in advance and May God, who knows the goodness of your heart, shower you with more blessings.

Tibiao Central School:

Tibiao Central School is fortunate to be a recipient of books from you. We greatly appreciate your generosity and concern for the welfare of the learners. These will be of great help in improving the classroom instruction and academic performance of the pupils. Thank you very much and more power!

Bugasong Central School:

Greetings!

We are very happy and grateful that we are one of the recipients of your generosity.

The books that you are giving us will augment our library collection of books which will greatly help our pupil populace.

Thank you very much and we hope you will be giving us more books in the future.

God bless and more power!

Col. Ruperto Abellon Memorial School:

We were very happy when Dr. Egidio P. Elio informed us that our school will receive a set of books from Move On Philippines this summer. This means additional volumes for our Library which caters not only to the pupils and teachers of our school but those from other schools in the District as well.

On behalf of all the members of our School Family, I would like to express our heartfelt thanks and gratitude to all men and women behind MoveOnPhilippines. Projects such as yours are what we need to help elevate the quality of education especially in rural areas like ours.

Congratulations for such a brilliant project. Rest assured these books will be cherished by us and most of all be shared to all those who might need them.

More power to your movement and we look forward to hearing more from you in the future. God Bless
