

**PHOTO DOCUMENTATION ON DONATED COMPUTERS AT UNIVERSITY OF SOUTHERN MINDANAO –
COLLEGE OF ENGINEERING AND COMPUTING (CENCOM)**

USM students are now using the 11 set of computers donated by MoveOn.

Different Colleges of the university also use the computer laboratory.

USM College Instructor demonstrates to the students how to use the computer units.

A hands-on of computers.

The university also conducts skills training for the students using auto cad program.

Computers are used by the students for research works.
